BULKY GOODS PICK UP AGREEMENT

IMPORTANT: All items to be picked up from the GEM Warehouse must be picked up in the allocated time frame on Monday, Wednesday or Friday (excluding Public Holidays) between 8.30 am 3.30pm.

As pick-ups are free of charge to allow customers to save on delivery - customer is to arrange own transportation, which is to be appropriate for transporting bulky goods like windows and doors. The size of the vehicle must accommodate the entire frame size of the item. Customer is to supply own packaging, ropes and other restraints. Customer is also to ensure adequate assistance (minimum 2 people to load the items). Limited warehouse staff are present any one time and are unauthorised to assist in loading of the items that have been arranged for pick up.

Customer is responsible for the picked up items and any damage is their responsibility. Warehouse reserves the right to refuse pick up of the items wherever they deem the situation being unsafe or hazardous to either the customer, warehouse staff or other public.

I, _____ accept the below pick up conditions of the bulky items purchased in the above quotation/ order.
